About Apollo

Apollo Language Centre is an award winning English language school in Ireland. With a school for adults in Dublin city centre and Apollo Camps for juniors in Dublin, Limerick & Cork, Apollo offers you the promise of an unforgettable experience.

Apollo Summer Programmes

Our four Junior Camps for students aged 11-17 run every Summer in Dublin, Cork & Limerick. We have two junior centres in Dublin at Sutton Park School with host family accommodation and Maynooth University with residential accommodation, one centre in Cork at University College Cork, which offers residential accommodation and one centre in Limerick at the University of Limerick which also offers residential accommodation. Our Young Adult Programme for students aged 16-19 runs for 8 weeks from June-August at our Adult School in Dublin with host family accommodation.

Award Winning Programmes

Apollo is the proud winner of eight Study Travel Star Awards!

Apollo is the first language school in Ireland to be inducted into the StudyTravel Super Star Hall of Fame after winning the 'Star Junior Programme for under 18s' award for five years in a row in 2018, 2019, 2020/2021, 2022 and again in 2023.

We also won the 'Star New School' Award in 2019 as well as winning in the 'English Language School – Europe' category twice in 2022 and 2023.

Considered one of the highlights of the global study travel marketing calendar, the ST Star Awards bring the industry together to celebrate fantastic provision and service in international education.

★★★★★

About us

**Sutton
Park
School**

Located on the famous Howth peninsula on Dublin Bay, Sutton Park School is a prestigious private high school with superb teaching and sports facilities and has welcomed international students for more than 20 years. The school's facilities include numerous computer labs, arts and crafts room, tennis courts, indoor sports hall and extensive all-weather outdoor football/hockey pitches as well as its own cafeteria where students are served lunch every school day.

About

2024 Programme

It's all Included

- 15 hours' tuition per week following a zig zag timetable of morning and afternoon mixed nationality classes (for example: one week morning classes, one week afternoon classes)
- Host Family Accommodation: twin/triple room sharing on a full-board basis. We can no longer guarantee one nationality per host family.
- Breakfast, packed lunch and dinner from family every day and additional lunch in the school's cafeteria Monday-Friday
- Use of school facilities including all-weather pitch, sports grounds, tennis & basketball courts, indoor gymnasium, computer labs and arts & crafts room
- A wide variety of activities every day
- 2 dinners at school per week followed by 2 evening activities per week. Students are collected from the school by their host family at the end of the evening activities.
- 2 Full day excursion per week on Wednesdays & Saturdays
- Sunday: free day
- Free WIFI throughout school

Accommodation

Accommodation is offered in experienced local host families in a twin/triple room sharing. We can no longer guarantee one nationality per host family. Families provide breakfast, packed lunch and dinner every day and students also have an additional lunch in the school cafeteria from Monday-Friday, so two lunches on schooldays.

Transportation

We provide our own private buses for students to travel to and from the school each day as well as private transport for full-day excursions.

Apollo Focus

Apollo Focus: 9 hours' optional extra tuition per week (instead of activities) completely free of charge. Apollo Focus is selected by the student as an option at the school on the first day.

Apollo Advantages

Apollo Focus

We offer an optional 9 hours' extra tuition per week, completely free of charge with a focus on project work and communication. Students can choose the Apollo Focus option when with us at the school.

Apollo Workbooks

Apollo Juniors each receive their very own course workbook filled with interesting topics & activities to follow during their course. Students will bring their workbook home giving them a sense of accomplishment & giving parents the opportunity to see what their son/daughter has been learning while in Ireland.

Apollo Real World Learning

Classes are designed specifically for students of this age using engaging topics & material. Our teachers use unique teaching methods to encourage students to speak English without feeling self-conscious.

Apollo Chill Out Rooms

Apollo Junior Programmes have become renowned for our Chill Out Rooms where young learners can experience our virtual Reality (VR) headsets as well as PlayStation Gaming & Arcade Games. Our Chill Out Rooms are always busy during free time periods and it's a great way for students to meet new friends, especially if they are feeling shy at the beginning of the programme.

Teams for Individual Students

As a lot of our students come to Apollo as individuals, we operate a system of teams and Team Captains whereby students have a daily meeting with their Team Captain (Apollo staff member) which ensures students have all information they need and have a daily point of contact with us.
