General English students undertake a placement test to determine their entry level. All students undertake weekly unit assessments based on their work throughout the week. Depending on their weekly test results and class performance, students may be recommended to take a change of level test which enables them to move up to the next level.

"One of the reasons I like Discover English is because I have friends studying at other English schools in Melbourne and I can see that they don't have the student support that I have here.

For some students, the DE Ambassadors is the first experience they have being responsible for others and making a difference in their lives. As an Ambassador I can have new friends and I can be useful for other students too.
