The *Humboldt-Institut Lindenberg* is a residential school for German as a foreign language, where international students between 13 and 17 years of age are prepared for their studies at a German boarding school. The focus in intensive courses with 30 lessons is on the following areas: reading and listening comprehension, writing skills, oral expression and grammar.

A student with no previous German knowledge can complete level B2 in approx. 6-8 months due to our "total immersion" concept, continuous progress control and monitoring as well as active daily use of the German language also outside the classroom.
