SCUOLA LEONARDO DA VINCI® FLORENCE

THE CITY

Florence, in the heart of Tuscany, is the cradle of the Renaissance and the classical Italian of Dante, Petrarch, and Boccaccio. While other European cities still lived in the Middle Ages, modern art and culture developed here under the reign of the Medici. Today in Florence one can visit and admire the masterpieces of artists like Botticelli, Michelangelo and Leonardo da Vinci in world-famous museums (the “Uffizi”, the “Accademia”, “Palazzo Pitti”), in beautiful churches, or even on a casual walk through the city.

The “Ponte Vecchio” connects the lively and historic city center around the Cathedral with the quieter neighborhood on the other side of the “Arno” river. Florence's urban landscape is distinguished by beautiful squares like “Piazza della Repubblica” and “Piazza della Signoria”, by small streets and winding medieval alleys, by various markets, and above all by the marvelous cupola of the Cathedral, visible from almost everywhere in the city.

Today Florence attracts tourists from all over the world who find here, besides history, everything to make them feel at home: Tuscan food and the best Italian wines, numerous bars and discos, a traffic-free center, and many inviting shops.
